This book supports students preparing for the AQA GCSE exam. The practice papers in the book are carefully modelled after past papers and specifications of exam boards to ensure that the papers are a whole provide a rich and varied practice to meet all requirements of GCSE mathematics with an appropriate difficulty. Papers are designed to teach students the most easily applicable, reusable and fastest solutions to typical problems, and utilise problems which target areas of maths which students typically forget under the pressure of an exam.

Followed have been reviewed by many students to ensure that they are easily understandable while being the fastest and most applicable.

GCSE Maths AQA Linear 2011 Practice Papers - Foundation

There are 15 GCSE Mathematics higher papers and answers in this book. These are 5 sets of papers 1, 2 & 3 written as practice papers for GCSE Higher Mathematics Higher examination in May / June 2011. Papers are mainly focusing on Edexcel, AQA & OCR GCSE exam questions as well as other similar examination boards.

National 5 Mathematics Practice Papers for SQA Exams will help you to prepare for the look and feel of the exam. All the papers will provide extensive practice and reflect the type and level of questions students are likely to meet; the formats of different question papers and assessment methods; and the type of marking schemes used by the SQA.

This volume contains three practice papers with enhanced supported learning answer sections. Paper colour, question level and the page design and layout will mirror the actual SQA exam papers in order to replicate the exam experience for pupils.

Our revision resources are the smart choice for those revising forEdexcel GCSE (9-1) Mathematics.

Please note this title is suitable for any student studying: Exam Board: AQA Level: GCSE Subject: Mathematics First teaching: September 2015 First exams: June 2017 AQA GCSE Maths, Higher Student book has been approved by AQA and specially written by a team of maths experts for the Higher tier of AQA's 2015 GCSE specification. Designed to fully support the new style of assessment, the book adopts a clear style to focus on delivering exam success via the careful development of fluency and problem solving practice. Powered by MyMaths the book links directly to the ever popular web site offering students a further source of appropriate support.

A radically different new concept in exam preparation, providing individual on-line evaluation and vital access to peer group comparison. The First Past the Post Practice papers series is a leading-edge new product for 11+ exam preparation formulated by on-line market leader ElevenPlusExams. There is no national syllabus for the 11+ exam, no pass mark and no retake option. Unlike conventional exams it's always been examined on a first past the post principle. This is where the 11+ Peer-Compare system comes in: the key to success or failure is how the student performs against peers.

A student-friendly and engaging resource for the 2016 Edexcel GCSE Geography B specification, this brand new course is written to match the demands of the specification. As well as providing thorough and rigorous coverage of the spec, this book is designed to engage students in their learning and to motivate them to progress.
